## Rainbow Beach

Located in the heart of Rainbow Beach, 700 metres from the front beach, the Sports Club can offer a choice of well appointed rooms, perfect for any type of wedding or function.

Function room sizes can range up to 250 seat capacity, timber decks overlooking the green (80 seat capacity) to an intimate private dining room accommodating up to 20 people.

Your function is separated away from the excitement of the gaming, TAB and bar facilities, but close enough to provide a convenient avenue for pre and post reception activities.

The Club offers a selection of exquisite, flexible menu choices, beverage packages which can be tailored to include premium wines and professional service and advice. Our experienced team will provide excellent service, ensuring that your function or wedding reception is everything you have ever dreamed of.

All prices quoted are per person, including GST and are subject to change at any time without prior notification. All prices are based on a 80 adult minimum function.

Children 12 years and under are not included in the 80 adult minimum and are priced by negotiation.

Our food packages cater for the modern stand up reception, right through to the formal traditional wedding.

*We wish you all the very best  
with your function*
